

## Hardwood Flooring Finish & Repair Business

**Asking Price: \$295,000**

**Gross Revenue: \$505,000**

**FF&E: \$45,000**

**Real Estate: Leased, \$450/month**

A hardwood flooring business, strongly positioned in the existing homeowner market which provides a stable revenue flow and is not subject to seasonal fluctuations.

A tremendous growth opportunity exists for the business covering all sectors of the company's services, especially in the new application process implemented in 2018. The company installs, refinishes, and maintains hardwood floor surfaces, as well as water damage repair.

Superb customer service, high quality materials, experienced and capable employees puts this business many levels above the competition.

With proper buyer qualifications, this business is eligible for SBA financing.
